ABOUT US

RadiantBiz is one of the premium business management consulting company, located in Dubai with a PAN Middle East & India presence. With over 15 years of experience in dealing with company Setup, Transactions & Commercial Banking.

Our team of management experts is doing their bit to revolutionize business advisory. Our services in company Setup, Transactions & Commercial Banking activities are committed to achieving organizational effectiveness and future viability for business. RadiantBiz combines industry-specific knowledge with practice-led experience to meet our clients' ambitious objectives in business. To achieve maximum customer satisfaction, we have designed our services to deal with immediate banking issues facing by the industries.

RadiantBiz through its business set-up and other value-added services has created a name for itself known around the world. Along with this, we also specialize in assisting companies to access transaction banking and trade finance services through our relationship with 30+ banks across the UAE.

We have registered and set-up more than 1000 companies that originate from different countries around the globe. Our company has time and again offered a frivolous business environment for these investors to tap its full potential.

MANAGEMENT PROFILE

Radiantbiz is managed by an Ex Senior Business banker Mr. Rizwan Ansari, who has extensive experience of transaction banking & trade finance. He has worked in multinational investment banks like Barclays and Standard Chartered. Apart from this, he also has noteworthy experience of working for UAE banks, namely the National Bank of Abu Dhabi, Dubai Islamic Bank, Abu Dhabi Commercial Bank, and Mashreq Bank.

Along with dealing in a dynamic business environment, we pride ourselves in making the impossible possible with our exceptional team of Ex-Professional Banker & Chartered Accountant. It is only through their knowledge and experience that we have created an extensive range of banking and company set-up services for our clients. Our personnel are committed to providing excellent consulting and believe in yielding results.

We are winning hands down in management consultancy with our diverse range of services within reach. Keeping in mind the latest banking guidelines in the UAE & globally. Our experts offer global experience and local knowledge to better business opportunities in the private and public business domain. RadiantBiz believes in championing our clients to transform from market viewers to market leaders by overcoming financial difficulties.
